Commissioner for Patents

This letter is to clarify all issues regarding the IDS with a PTO stamp date of 12 February 2002. A copy of this 1449 is not present in the application. After talking to the applicant's representative, James Loeffler, it has been determined that the references cited in the 12 February 2002 IDS were resubmitted in the IDS with a PTO stamp date of 26 April 2002. The signed 1449 for the IDS dated 26 April 2002 has a PTO stamp date of 12 September 2002. Since all references were considered by the examiner a copy of the signed 1449 for 12 February 2002 is not required.
